

Dear Stan,

On behalf of everyone at Lancashire Cricket may I take this opportunity to thank Lowerhouse Cricket Club for hosting Lancashire cricket fixtures in 2022.

These matches are vitally important for the development of our professional and CAG squads to play on good pitches and excellent outfielders - We really appreciate the efforts of all involved, both on and off the field.

We look forward to visiting your ground again in the near future and best wishes for all at your club in 2023.

Many thanks once again

Yours sincerely
