LOWERHOUSE 2000 GROUND APPEAL

Lowerhouse Cricket Club were founded in 1862 and have played at the Liverpool Road ground for 135 years. The Lease expired in April 2000 & despite extensive attempts by the club since 1990 to secure tenure, the landlords wish to relocate the club and to use the ground for housing.

Significant costs have already been incurred gaining council opinion and court & legal fees are soon to be spent as the club fights for a 14 year lease which is the maximum under the Landlord & Tenants Act of 1954.

Having secured a long term lease the club plan to redevelop the ground seeking Sport England, commercial and private funding.

Your support is vital.
