## From the Dressing Room

Today we extend a warm welcome to all the players, officials and supporters from the current League Champions Lowerhouse. No doubt they will give us a hard game today as they have recently run into a bit of form. Our own form over the last few weeks has been a little patchy, with some average performances really. Although when we have played well, as at Todmorden where we rattled up 232-9, the weather did us no favours at all as the game finished a no result with Tod on 64-2. The rain has created havoc this year with not a ball being bowled at home to Nelson. The umpires went out at 1.10pm to start the game and promptly returned at 1.12pm as the rain began to fall. Sadly that was the only action we saw on the pitch as the officials called a halt at 4.10pm and we all headed home early. Last week we visited Haslingden and in all fairness we did not do ourselves justice, for whatever reason having bowled and fielded very well in holding our hosts to 214-9, we were unable to get to grips with a good batting wicket and were bowled out for just 116, although Snedds, The Horse and Waqqas all rallied in the latter stages of the innings. After the game we had a long chat in the dressing room and all the lads were disappointed to have had a pointless day, it is a measure of how attitudes have changed this season, that to the players, defeats are just not considered acceptable. I know we will be looking to bounce back this weekend with a win today and another tomorrow when Dibber makes his return to Bacup, where I am sure he will receive a "welcome" from the home supporters. Just to keep everybody informed, we are at the moment negotiating with Nish for him to return next year, I am hopeful that a deal can be done very quickly to extend his stay with us. So on to today's game – "bring on the champions" and lets get back to winning ways. Enjoy the game. Ian Wilson

## Accrington CC 2<sup>nd</sup> XI 2006

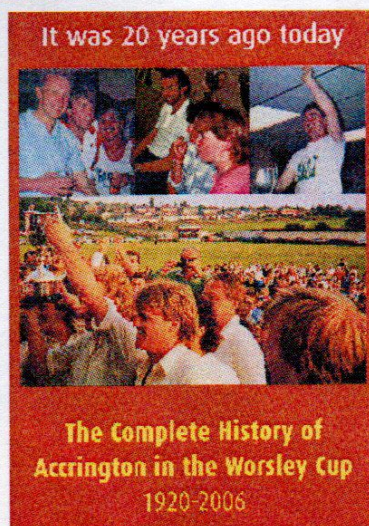

**Taken from 'It was 20 Years ago today, The Complete History of Accrington in the Worsley Cup 1920-2006' available from The Bar for £8.00**

**Round 1 Sunday 21st May 1978**

**Accrington 65-6, Lowerhouse 62**

Accrington crawled to a 1st Round victory against Lowerhouse at Liverpool Road. Dave Parsons removed opener Steve Gee (18) and Professional Mohinder Amarnath (9) after Alan Worsick had made the breakthrough by bowling Keith Fairclough for 8, to put the home side on the back foot. No other batsman made double figures as the last 8 wickets tumbled for 28 runs to leave Lowerhouse 62 all out. Worsick took 5-17 off 11 overs, Parsons 2-21 off 9 and Tony Gallagher 2-6. After openers Graham Beech (6) and Geoff Hayhurst (10) had put on 17, three wickets fell without addition to the total with Jon Hartley bowling Beech and Amarnath removing Hayhurst and Alan Richardson in successive balls. John Swanney and Malcolm Taylor repaired the damage with a 4th wicket stand of 38 when Amarnath struck again to clean bowl Swanney for 23. Worsick followed in identical fashion for 1 and then skipper Peter West was run out without scoring as Accrington suddenly got the jitters with less than 10 required but Taylor stood firm to strike the winning runs and finish on 23 not out to seal a drawn out 4 wicket win in the 29th over.

## Today's Visitors – Lowerhouse

### Professional - Ryan Harris

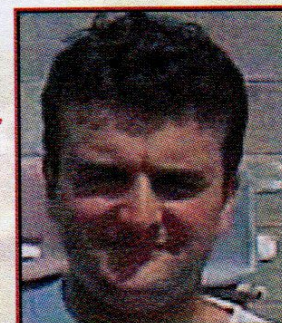

Ryan is a genuine all rounder, a right-handed batsman, right arm medium pace bowler and a brilliant fieldsman. He was a member of the Commonwealth Bank Cricket Academy in 2002 and represented the Australian Cricket Board on a tour of India in April 2002. In March, 2003, Ryan was awarded the Bradman Medal for district cricketer of the year. Ryan played eight games for Northern Districts, scoring 360 runs at an average of 40, and he also took 24 wickets at an average of 11.7.

Ryan has had previous experience of English conditions, playing in the South of England in 1999. In the 2003 season, Ryan had to return home injured after 9 matches during which he had scored 413 runs, including an unbeaten 111, and taken 18 wickets, including 8-59 against Colne

### Captain – Joe Beneduce

Joe has developed into a very valuable member of the side. Good attacking big hitting middle order batsman, off spin bowler and a good fielder in the deep or in close. Joe has turned himself into an excellent cricketer. He is a great team player and is one of the first names on the team sheet. The type of cricketer you want in your team rather than against you.
