Rearranged fixtures:

1st XI v. Rishton (away) - Saturday 1st September

1st XI v. Enfield (away) - Saturday 8th September

Yesterday's fixtures - all rained off. Nelson made 33-1 against Church, nobody else made a start.

After yesterday's washout, there have now been 69 No Results this season (including matches replayed) out of 168 scheduled fixtures. Hence 41% of the matches have been rained off.

Colne have had 9 No Results, of which 5 were rearranged. Of the 9, 7 were away, which is perhaps as well. Colne's home record this season is won 8, lost 2, no result 2 (both replayed); away record, won 0, lost 5, no result 7 (3 replayed).

Last Week's Quiz: the outfielder with most catches this season is Sean Lemon, with 8. Qasim Ali and Greg Mail each have 7.

Today's question: Jeff Ellis last week hit his third fifty of the season. This had only been done by Colne amateurs three times since the year 2000. Who were the batsmen, and which years?
